

Sample Mission Statement For Early Childhood Education

Sample Mission Statement For Early Childhood Education - Early childhood care and education programs, as organizations that serve families and young children, recognize that values are important and central to our visions and our missions. Examples of vision statements. The following are some examples of vision statements from a variety of businesses and organizations: Early Childhood Philosophy and Mission Statements.

PHILOSOPHY. The philosophy of the Oglesby Public Schools' Early Childhood Education Program is designed to help develop positive self-concept, enhance creativity, and enrich each child's life socially, intellectually, and emotionally. Early Childhood Education Mission Statement. We strive to provide each child with age and developmentally appropriate activities and experiences to assist them in becoming lifelong, self-directed and self-fulfilled learners. Contact Us. Eileen Chen Executive Director, Educational Services

Early schooling is critical as this is the time when foundations are laid. If the base of one's education is not strong, it becomes difficult to pursue more challenging studies later in life. Hence, the early childhood education statement must be well thought out and comprehensive, as well as sensitive to the needs of all students.
